

ARGENTINA TRIP SUPPLY LIST

Recommend one suitcase and one carry-on bag

Pack essentials and 1 set of clothes in carry-on in case your checked bag does not make it

Take a fold-up bag (nylon duffel) to have as a second checked bag in case you want to bring souvenirs and other items back that won't fit in your suitcase

The average temperature will be a high of 79 and a low of 57 degrees F

Nylon fabrics work well because they will dry out quicker than denim
